Patterns/Trends Identified that Indicate Training Needs and/or Policy Modification:

- PD will continue ongoing training every quarter that includes defensive driving information, use of new in car technology, review of current policies, and driving schools related to low speed high stress. We will also incorporate into block training every month information related to safe driving.
- Officers must remain alert at all times when driving to include:
 - Backing/parking lots
 - Placement of vehicles at traffic stops and crash scene investigations
- There were no fatalities or major injuries.
- Sixteen officers were counseled, however, no particular unaddressed training needs were identified in reviewing these fleets.

- Two officers received a Written Reprimand and one officer received a Suspension.
